About Custom Home Sales at ADT

A negotiator. An ambitious lead generator. Someone who is driven to go above and beyond for customers. Successful Custom Home Sales Representatives are dedicated to delivering personalized support. You'll help your high-end clientele solve the problem of feeling safe, protected and connected to their homes. On any given day, you'll work to build customer relationships, providing superior customer service, closing deals and networking to build a strong pipeline of future customers. Ready to become an Everyday Hero and make a difference by helping others protect what matters most to them?

Under Armour is all about performance. Because what we make empowers athletes in every form to push themselves, to turn good into great, and to stay hungry for whatever comes next. And this is exactly what we expect from each other.

Working with us means one key thing: no matter what you do, you see every day and every project as a chance to push your field forward. In every store and every office, we build teams where everyone is an MVP. And
